## Description

Very comfortable family home in Vista Hermosa in Puerto de Santa María (Cádiz).

The main attraction of this house is that it is perfectly integrated with the garden and pool.

Its east facing – West makes her especially cool as it is perfectly designed to take advantage of breezes from the west and avoid the easternly wind (Levante)

It has a nice oriented pool and garden, much of the life of the house happens in the porch.

It is very practical. very functional: one one side you have the the living area by day, the bedrooms are all in the same corridor, the guest is a bit further away and finally, a great kitchen.

Great family summer house.

Airport nearby.

Gated community.

Good state of preservation.
