## Description

This is no normal house. It is the home of a perfectionist, a businessman who after many experiences decided to join the best team of artisans to make a home out of the ordinary. And here is the result …

It is a large house, you enter through a solid mahogany door with gilt nails arriving at a spacious hall leading to a patio with stone columns.
From there you access to the rooms on the ground floor: office, two bedrooms, living room, dining room, sitting room, kitchen … and the stairs leading to the upper floor where there are more bedrooms.

The garden surrounds the house perimeter and it has a mature garden that is very enjoyable from the covered porches and from the inside. There is a large covered garage downstairs for several cars.
