Description

We present you a beautiful house of the 70s in the Doñana Natural Environment.

This property is about twenty minutes drive from Seville, most of the way by motorway.

It is also very close to the Doñana Natural Park, a highly protected area, a place really well care where it is easy to find Iberian lynx and birds flocks of migrating to the Doñana marshes.

The House, builded in the middle of the twentieth century has about 1,000 sq m.

At the ground floor there is a large lounge leading to a nice arcaded porch overlooking the pool and garden.

It has a spacious kitchen area and very appropriate service when there are many guests in the house. Upstairs you can find the bedrooms and bathrooms.

> *The house is topped with a tower that serves as a lookout.*

The house is located on a plot of 1 ha. of landscaped grounds with adult trees.

Automatic garden irrigation. Stoneware clay.

His state is to reform.
