Description

What stands out more when you enter this property is the magnificent forest with a pines, coconut palms, cypresses, jacaranda, orange and lemon trees, plus an occasional drago …

It has a large garden of about 7,000 sq m.

In the center a magnificent house of 1,000 sqm, built in the 70s with the best materials of the time.

The house is quite horizontal, integrated in the land.

The porches and garden come into the house through countless windows and incorporate nature to the interior … It is very well accomplished.

In terms of materials, the most stricking ones are the magnificent marble floors white and black checkerboard and red in other areas very fashionable in the seventies.

The doors of the house are outstanding.

The house is five minutes drive from El Puerto de Santa Maria and Puerto Sherry, near Vista Hermosa.
