Guest house at Sierra de Aracena

Huelva, Sierra de Aracena, ID: 210005 | **Sale: 850.000€**

Description

In the heart of the Sierra de Aracena we find one of its charming villages and within it this great and spacious house that once belonged to a marquis.

A few years ago some friends found it in very poor condition and decided to renovate it thoroughly.

The result is optimum: the recovery of a house of traditional architecture respecting the essence of the era.

Now is a country house and is 100% operational near the church, in the center of town.

It has 11 rooms with en suite bathroom and various halls and rooms that make it more enjoyable.

It is very well oriented facing south west so it is also very bright on that facade.

The house has central heating and fireplaces.

In impeccable condition.

Perfect for a couple who decide to settle here, manage it and make it their live project...
