

A very nice house by Seville

Seville, Gines, ID: 410169 | **Sale: 600.000€**

Description

Beautiful and well kept Original XIX th century Sevillian house.

It has a great facade with stone base and the rest is painted in pink calamocho. It has a tower like the ones in the olive trees haciendas and several windows with original antique griddles.

Upon entering the hall, you access a courtyard with columns on two of its sides from which the staircase that goes up to the house begins.

There is also a pleasant garden with a pool surrounded by aromatic plants so much liked by the owner of the house: jasmine, ladies night, lemon trees, ...

Two spacious rooms with wood paneling give on to the courtyard : one is the downstairs living room and the other one is the dinning room. In the courtyard there is a swimming pool.

Upstairs there is another large living room, kitchen and bedrooms.

The house is very quiet, it has a lot of light that comes in on all sides and it is 10 minutes away from Seville.

Important note: the house is sold empty. Unfurnished.
