Description

This is one of those rare occasions in which an exceptional house in Sevillas Shopping Golden Mille goes on sale: right between Calle San Eloy and El Corte Ingles in the center. The house is spacious, it has a nice patio with two skylights and double set of marble columns. The rear has a garden that gives light to the house on the north face. It needs a complete renovation. Allowing the buyer to decide freely what to use it for. An excellent opportunity!.
