Description

Great hunting estate reserve located less than 6 km. from Ronda, which is visible from many parts of the estate.

It's in the Serrania de Ronda, more than 1,000 m above sea level which makes it especially fresh pasture.

There are 1,136 hectares of land dedicated to big game with excellent conditions.

It has a perimetral mesh. It has water throughout the property, more than 20 water troughs to feed the game, viewpoints to control ...

In order of abundance there are deer, goats, wild pigs and deer of wich some trophies are hunted each year.

It has several paths allowing access to strategic locations for hunting and control of the species.

The forest is mainly oak with mediterranean mount trees and some native species such as the Spanish fir and maple.

It has a house for the staff and a small house for the owners.

Regarding communications, it is 60 to 90 minutes away from Malaga Gibraltar,, Jerez and Seville. There are direct trains from Madrid to Ronda (station 10 away from the property).

It is located just 50 minutes drive from Marbella.
