Description

This house is the dream of its owners, one of them an architect.

In these 12 has. of terrain thy wanted to capture the dream of his life of having a house in the middle of nature but in the style of the houses of pure lines of other known architects of the SXX.

In 2008 the couple started the works that basically comprise 3 constructions:

1.- The main house, is a structure of pillars and girders with reinforced concrete wall in the lower level with very first qualities of tropical woods, aluminum enclosures, exterior folded gray aluminum lined, shutters of articulated slats, doors with security enclosures ... the result, spectacular !. A contemporary house incorporated into the landscape from which you can enjoy long views and the tranquility of the landscapes of the Sierra Norte de Sevilla.

As equipment, the house has centralized air conditioning, central heating, video surveillance cameras, exterior lighting, automatic irrigation system, 3 bedrooms and 3 bathrooms, living-dining room -kitchen with fireplace and terrace, wine bar, washing machine and dryer room,
