

1.000 hes. hunting estate in Córdoba

Cordoba, ID: 140024 | **Price on application**

Description

Original hunting estate in the westernmost part of the province of Cordoba, near Badajoz.

This is a high ridge with stunning views of the countryside around it.

The preserve has two parts: a cinegético mesh in which priority is given to cervuno and other CERCON type in which there is only boar.

The house is very large and well equipped to receive many guests, including a large hunting lodge perfectly prepared for functions.
