Cork trees farm of 233 hes. 50′ drive from Seville

Seville, Doñana Park Natural Envirnment, ID: 210015 | **Price on application**

Description

This beautiful meadow has an enviable forest, where most adults cork are in good condition, completed with oaks and some pines.

The terrain is rather soft, sandy, well suited to raise horses on it.

It is in a wonderful natural environment that allows endless excursions.

It has a somewhat abandoned farmhouse that would need to be restored with more tahn probably excellent results.
