250 hectares property located 50 minutes from Seville by motorway on the Extremadura road. Located in the Sierra Norte Natural Park. It is a recreational farm with a large house renovated by Andrew Parladé in the 70’s. It has century old oaks and graslands. It offers throughout its length much variety, very good views and many points of interest such as 5 small Razorfen (cattle houses) located around the farm, a river which runs alongside two operational wells supplying the home all year.
