

Beautiful hacienda 10' drive from Seville

Seville, Dos Hermanas, ID: 410044 | **Sale: 1.800.000€**

Description

This is an exceptional house built on the basis of a restored original olive grove 15 years ago with the utmost care and respect for traditional forms and materials.

The first thing you notice is its majestic entrance, the restored paved roads and yards, the very nice and spacious porches with mud bricks, supported by stone columns with different orientations for every moment of the day, courtyards with fountains give light to the house, as it turns around them ... This light is enhanced by the original skylights on the lobby and lounge.

Since it can not be otherwise, the house has lots of bedrooms, bathrooms, living rooms, classrooms, office, kitchen, cellar, ... and all of a generous size giving a sense of freedom on any spot you find yourself at.

And outside, we find a huge garden on a plot of 6,000 m2 with pine trees, orange trees, rectangular hedges, olivillos, very private places and even a tropical ombú!. Highlights a rectangular pool, sober but a good size. Next to it a pergola covered with wisteria and a changing room with bathroom.

The main side o the property is neighbour to a Private Club with two hectares of pine green and provides a great comfort to the house. It is located in an enclosure with 24 h security.

The house is in the south of Seville, within the radius of the future SE-40.
