

A house for Company HQ by Seville's Cathedral

Seville, Center, ID: 410195 | **Sale: 2.400.000€**

Description

Great house next to the Cathedral of Seville perfectly restored to be used as headquarters of one or more companies.

It is a Sevillian house, kept in good condition with a beautiful façade made with Triana tiles from the XIXth century.

At the entrance there are two arches covered with the same tiles in ocher and blue representing neoclassical figures supported by marble columns

The house has three floors and a roof terrace with magnificent views of the Giralda and Cathedral.

Features
