Description

This unique and wonderful home is located in one of the prestigious self contained areas of El Puerto de Santa María , on a 400 sqm plot (20 * 20) located 35 m away from a cliff , it is 30 m above the sea level. From here you can see the whole Bay of Cádiz from Puerto Real to Rota. Between the cliff and the plot there is a garden and a pedestrian walkway.

The house is accessed by a private road for the 20 properties with two side doors for pedestrian access and two other gates for motorized vehicles.

the house has been developed into a compact cube three storey's high over a concrete structure on continuous slab of 1 m thickness. It has pre -installation for an elevator.

Downstairs there are 190.43 sqm, the same in the middle floor of which 32 sqm are a covered porch, and the same on the third floor of which 64.9 sqm are a solarium and 27.8 sqm are a covered terrace .

The ground floor has outdoor access from the garage and from the backyard out to the beach .. It has a full apartment of about 40 sqm , storage room/ workshop , a 13,4 m heated
