A flat wit a view at Plaza de Cuba – Seville

Seville, Los Remedios, ID: 410372 | **Sale: 1.750.000€**

Description

The Plaza de Cuba in Seville is one of those charming places that has a lot of admirers.

It is the gate to the neighbourhood of Los Remedios in Seville, with mature trees, spacious, and good views of the Monumental Seville, full of shops on the street Asuncion street, and with the Guadalquivir river right there …. A charming place and very safe.

The higher the floors are, the better the views. This in particular is high flat facing towards Torre del Oro and the Giralda. The views are very nice at day time but at night they are spectacular.

It has just been renovated in its entirety and it has been fitted with modern materials and appliances.

It is large and spacious and above all, stand two magnificent sitting room, it has a large kitchen and five comfortable bedrooms.

It has a garage and a storage room.
