

A flat to be refurnished at El Prado de San Sebastian

Seville, ID: 410295 | **Sale: 1.200.000€**

Description

This is a traditional flat, made with great care right across from Captania General in La Plaza de España.

It needs a total reform but the result of a carefully planned renovation could be spectacular as it is was an iconic building in the best area of Sevilla when it was built in the fifties.

It is very bright in the evenings as it is oriented southwest. It has a great view of the entrance and arches of the Plaza de España by the Capitania General.

It has a garage.
