Description

It is easy in this wonderful equestrian farm to watch arrows of cranes arriving to Doñana to spend the winter, or flocks of Geese coming from the North, or hundreds of Flamingos looking for Doñana marshes ... all while grooming licking lynx in the way of this magical place.

For more information [contact us](#).

Amid a sea of pines filled with mastic and myrtle we find this property of some 114 hectares. meadows and olive groves with a great Cortijo builded to the tastes and interests of its owner who commissioned it to one of the most famous architects in the area. It is accessed through a beautiful paved courtyard which also leads to a beautiful chapel dedicated to the Virgin del Rocio so important in this area of Spain.

From the hall is accessed lounge, dining room and spacious porches, one facing East and the other South onto the garden and pool. On the ground floor there are several bedrooms with bathrooms and above in a large apartment and a tower from which you can see the entire area.

The farm has two distinct parts: meadows to grow annual crops and pastures used to feed the horses and the other with olive grove producing table olives and oil mill.

A little further, about 500 meters from the house, the equestrian facilities with 26 boxes, livestock buildings, tack, riding, walker, exercise trail, closed ... more

In short, a unique corner for a lucky owner...

Note: For sale unfurnished.
