XIX th C house in Seville s center of town

Seville, Center, ID: 410155 | **Sale: 1.350.000€**

Description

Beautiful and well maintained home in the heart of Seville.

It’s in a very quiet yet well connected with Plaza Nueva, Town Hall, Plaza de la Magdalena and Zaragoza Street area.

It is large, it has three courtyards, one main surrounded by most of the house and two others giving access to the different rooms.

It has the peculiarity of being a doubled house, as it used to be in the old Seville: in the basement it has a dining room, kitchen, bedroom, etc … to live during the summer.

Upstairs it has the same structure to be used within the winter when it’s colder.
