Description

You can tell the owner of this beautiful home is an architect.

Ten years ago he accepted the challenge of transforming a house in bad shape into his own family home and he did so successfully .

Everything is very well thought out. As you enter through a beautiful gate, there is a surprising arcaded courtyard with marble columns with a pool in the center..

This patio is the center of the house with numerous rooms around it.

It is also a living room as it is covered with a glass roof hat isolates it from rain and sun .

The house is large with about 500 sqm of ground . It has another patio with a nice garden.

On the first floor we find the sitting room dining room, kitchen and several bedrooms .

On the second floor there are more bedrooms . In total seven bedrooms , and seven

bathrooms, five of them en suite.

The house is in good shape..

The windows are of excellent quality with thermal and acoustic isolation.

What is currently used as a garage is really a perfectly recoverable cellar something quite appropriate in the city its in ...
