Description

This beautiful duplex is very close to Hotel Ciudad de Sevilla in the Avenue of La Palmera.

It’s in an enclosed community with several similar homes. It was designed and built to high standards.

It has a very private entrance, by foot walking down a garden or from the garage through a convenient and widel door.

The duplex is high and is well oriented so it’s pretty bright.

The master bedroom is on the second floor and it has a terrace type balcony and a second very large terrace.

The parking spaces are very easy to access
