

A house in Córdoba

Cordoba, El Brillante, ID: 140011 | **Sale: 975.000€**

Description

Family house in this exclusive suburb of Córdoba.. It was built in 1966 by the famous architect José Rebollo and it follows the aesthetics of the period. Rebollo forged Cordoba with his architectural designs.

It has large rooms and lots of light and it is very well oriented to the four cardinal points. The floors are waxed red clay bricks and doors are made of chestnut panels.

It has two service rooms , one with en-suite bathroom , a large office , kitchen and large pantry and separate laundry room.

The downstairs living room is about 90 sqm with fireplace and full bathroom downstairs and another bathroom downstairs originally ment for the housekeepers.

It has an office downstairs and a small room with a professional safe.

Oil central heating with radiators in all rooms (except in the basement and living room downstairs, but with the possibility of putting them) .

There are five bedrooms, one of them the master with en-suite bathroom and room dressing room. The staircase is curved unpolished marble .

It is surrounded by a large garden with mature trees that gives privacy and shade .

It has an independent entry for cars and another entrance further up.
