

A large family house in Jerez

Cadiz, Jerez de la Frontera, ID: 110064 | **Sale: 1.800.000€**

Description

This is a very spacious family home of approximately 1,000 sqm built on a plot of over 3,000 sqm. Having already served its purpose of raising a large family of which there were many in the 80's!.

What stands out most about this house is the large plot on which it is built and the beautiful trees on it: ficus, ombuses, araucaria pines ... they are all mature trees that convey a powerful vegetation.

Once inside the house we are surprised by the amplitude of the successive spaces we find: hall, lounge, sitting room, dining room ... This feeling is highlighted by large windows that show the garden almost anywhere
