Description

This house has everything. It is in a high position, near the Atlantic coast so it has magnificent views and breezes ... It is a house of recent construction, made to the measure of its owners and their large family. It is large, well equipped, with private spaces.

It has a large car entrance with several indoor garage spaces. The house is accessed through a large porch that gives way to a very cheerful elongated dealer. From there you go to living rooms, dining room, porch, kitchen, bedrooms downstairs ... In the basement more facilities and bedrooms and on the upper floor, the most reserved area for the property with a spectacular apartment with bedroom, dressing room, bathroom and a covered super terrace overlooking the Bay of Cádiz.

Outside, a large garden with swimming pool surrounded by pine trees at the back.

We are facing a large house, well built, current, well equipped, comfortable.
