

To Let - A nice cottage by Aracena

Huelva, Aracena, ID: 210020 | **Rent: 1.260€**

Description

Charming spot in the Sierra de Aracena where chestnut, oaks and ferns predominate.

The vegetation in this area is outstanding thanks to the high rainfall that is determinant for the density of the trees and the lush vegetation.

This is a very private place, two kms. away from Aracena which was restored with great success from the ruins of a cabin that was used to dry chestnuts and keep livestock.

Now it's perfectly groomed and prepared to house six people to enjoy this house set in this unique environment.

It has a bright living room, three bedrooms, a fully equipped kitchen and a sunny south-facing porch.

The house has underfloor heating and pool.

Price for full weeks: 1.260 €.

Capacity: 6 people.
