

XVIII th C Hacienda in Arcos de la Frontera - Cadiz

aádiz, Arcos de la Frontera, ID: 110049 | **Sale: 6.500.000€**

Description

At a crossroads dotted with old legends and history stands white and majestic, Arcos de la Frontera, town declared a Historic-Artistic Monument.

A few miles from it we find this beautiful hacienda that combines Mediterranean mountains undulating farmland and olive groves.

Its main attraction lies in its house, an old oil mill, original from 1754.

It has several homes, so you find some attached to the farmhouse and others around it.

The mild climate of this part of the Sierra Gaditana with an average temperature of 20 ° C and 380 m altitude, makes you enjoy activities such as hiking, photography, swimming, hunting, bird watching, water sports, golf only 4 km, ... and endless recreational activities in nature throughout the year.

The house has been recently renovated and decorated in the traditional style of the area.
